Re: Heat Pumps

Dear Larry,

Please be informed that your proposal for replacing roof mounted heat pumps at the Transportation Data Office was not the lowest estimate. We appreciate your taking the time and effort to submit your estimate. There will be additional need of this type later this year and I will contact you at that time for new proposals. Thank you for your consideration.

If you have any questions please feel free to call me at 705-7633.

Sincerely,

FREDERICK WEPFER
